Pope Francis has called for a global prayer marathon for the entire month of May, praying for the end to the pandemic.

"The initiative will involve in a special way all shrines in the world" in promoting the initiative so that individuals, families and communities all take part in reciting the Rosary, "to pray for the end of the pandemic," said the Pontifical Council for Promoting New Evangelization in a press release April 21.

"It is the heartfelt desire of the Holy Father that the month of May be dedicated to a prayer marathon dedicated to the theme, 'from the entire Church an unceasing prayer rises to God,'" it said.

The theme refers to the miraculous event recounted in the Acts of the Apostles (12:1-12) when all the Church prayed for Peter, who was imprisoned until God sent an angel to free him, illustrating how the Christian community comes together to pray in the face of danger and how the Lord listens and performs an unexpected miracle.

Each day in May, there will be a livestream from one of 30 chosen Marian shrines or sanctuaries to guide the prayer at 6 p.m. Rome time (noon EDT) on all Vatican media platforms.

The pope will open the monthlong prayer May 1 and conclude it May 31, the council said.

Llamando a todos los
Cantantes y Músicos

Covid-19 ha cambiado la música en la adoración. Convertirse en cantor o músico es una forma perfecta de responder. Servir como cantor o músico beneficiará a todos los miembros de la parroquia y tendrá un impacto en la vida espiritual de todos los participantes. Liderar la música de nuestra liturgia puede ser transformador. Al igual que con cualquier forma de arte, algunas personas tienen talento y con eso la Iglesia Católica Resurrección está buscando cantores y músicos voluntarios para unirse a nuestro equipo del Ministerio de Música. Todas las edades son bienvenidas.

2021 Sadlier Summit for Catechetical Leadership

Catechesis in the Digital Culture

Cumbre Sadlier de liderazgo catequético 2021

La catequesis en la cultura digital

PRESENTED BY Sadlier

The presence and influence of the digital culture in the modern world has led to a new virtual reality in our mission as catechists. Not only has the digital culture impacted a new generation of young people, it has led to a disruption of the way catechetical leaders evangelize and catechize.

As Chapter X in the new Directory for Catechesis indicates, "…the real question is not how to use the new technologies to evangelize, but to become an evangelizing presence on the digital continent" (371).

This Summit for Catechetical Leaders working in dioceses, parishes, and schools will explore:

- General Characteristics of the Digital Culture
- Effects of the Anthropological Transformation
- Aspects of the Digital Culture as Religious Phenomenon
- Impacts of the Digital Culture and Need for Education on the Media
- Proclamation and Catechesis in the Digital Era

La presencia y la influencia de la cultura digital en el mundo moderno ha dado lugar a una nueva realidad virtual en nuestra misión como catequistas. La cultura digital no solo ha impactado a una nueva generación de jóvenes, sino que ha provocado una interrupción en la forma en que los líderes catequéticos evangelizan y catequizan.

Como indica el Capítulo X en el nuevo Directorio para la Catequesis, "… la verdadera cuestión no es cómo utilizar las nuevas tecnologías para evangelizar, sino convertirse en una presencia evangelizadora en el continente digital" (371).

Esta Cumbre para líderes catequéticos que trabajan en diócesis, parroquias y escuelas explorará:

- Características generales de la cultura digital
- Efectos de la transformación antropológica
- Aspectos de la cultura digital como fenómeno religioso
- Impactos de la cultura digital y la necesidad de la educación en los medios
- Proclamación y catequesis en la era digital
