Grand Knight's Note

We are off and running with different projects already. We had several Knights helping out with pasties and our Coats for Kids is going fantastic. Again, I can say that I am very lucky to have so many wonderful Knights that are willing to help out. If you have not heard we have a garage full of winter items to distribute this November. I also have several other things planned this year and I hope that we will be able to make them happen to meet our goals. Please plan on attending our next KC meeting. We need everyone to help out. This way we will be able to continue God's work and continue to make life better for all here at St. Raphael's, St. Rose and our greater community.

God Bless!

Did you Know?

St. Peter's is not the pope's cathedral. Every bishop in the Catholic Church has one cathedral. Surprisingly, the pope's cathedral is not St. Peter's Basilica in Vatican City but rather the Archbasilica of St. John in the Lateran, which was donated to the Church in the fourth century by the emperor Constantine. St. Peter's is viewed more as the cathedral of all Christians worldwide.
