

Pastoral Council: June 21st, 2016

Attendance: Bill, Doug, Steve, Deb, Mark, Sarah

Long Range Planning Committee Chair: Roger met with the long range planning committee and is close to having a new chair but no one is in place yet. They will work to rebuild the committee, Bart Schmitz has joined the committee. Others are considering joining.

Confirmation Age Letter to the Bishop: Discussion and minor edits were proposed.

The letter will be approved at August meeting. When the letter is sent will be at Father's discretion.

PLC Eucharistic to the Homebound Mission- No further update at this time.

Potential issues to discuss in 2017:

- Is the Finance Committee fully staffed with several members moving off the committee recently.
- Possibly ask for notes from all committees in August regarding active members. Which committees need additional members or support.
- Increasing attendance, participation and ownership of our parish by its members. Potentially budgeting more money for events that enrich the parish in both social and religiously challenging ways.

Some ideas include:

- Pre RE family meal (full family, free will offering)
- Card Night/Game Night (for young and old)
- St. Patrick's night at The Falls

First meeting adjourned.
