"HUMAN TRAFFICKING IS A CRIME AGAINST HUMANITY."
- POPE FRANCIS

Children of the Immaculate Heart is a Catholic apostolate founded in 2013 with the purpose to "Restore All Things in Christ", by helping heal young & old those coming out of the life of sex-trafficking. This apostolate is founded with the knowledge that the darkest evils of this world can be fully healed by nothing but the Love of Our Lord.

The Order of Malta is a 900-year-old order which was established by Blessed Gerard to provide protection and spiritual assistance to pilgrims seeking to visit the Holy Lands. Their mission today is best said in their short mission statement: Tuitio fidei et obsequium pauperum (For the defense of the faith and assistance to the poor). We operate in 120 countries around the world and our Chapter here in San Diego wishes to ensure that all the material needs of the clients of Children of the Immaculate Heart can be met with your help!
