MISSION/VISION

MISSION: We will meet the unmet demands of our students and families for a PK-12 classical Catholic education to form a community of disciples of Christ.

VISION: We will increase the number of virtuous leaders, thinkers, and intentional disciples of Christ working to rebuild our culture.

GOD'S ABUNDANT BLESSINGS

It is with profound joy that we have experienced the blessings of our growing and vibrant school, St. Ignatius.

As we journey with each other in faith it is important for us to understand what this growth means for us. We believe that each of us is a part of the Body of Christ and each of us has an important and valuable role in fulfilling the mission of Christ and God's plan of salvation. We are transformed, or one could say transfigured, through God's grace in our journey together.

As a family of believers, we walk with each other in the same love and mercy we, ourselves, have experienced from God. Our strength, foundation, and identity are rooted in our Catholic Faith and specifically, a Catholic education.

We have been blessed with a growing and vibrant family here at St. Ignatius and with grateful hearts we seek to honor what God has given us!

Peace and Joy,
Fr. Don Everts, Pastor,
Kaukauna Catholic Parishes

Mr. Nathan Vande Hey, Headmaster,

ANNUAL NEEDS FUND:

Each year, alumni, grandparents, parents, parishioners, and other friends of St. Ignatius are asked to support its mission by contributing to the overall operation of our school. Gifts to the Annual Needs Fund allow St. Ignatius to serve our students, faculty, and staff and also address instructional needs and facility expenses.

TUITION ASSISTANCE FUND:

Many families are willing to make personal sacrifices in order to afford a faith-based education. However, some families still need additional help. St. Ignatius provides tuition assistance to families with demonstrated financial need. You can make a difference in the life of a child and their family with a gift to our Tuition Assistance Fund.

ENDOWMENT FUND:

Generous gifts from parents, alumni, grandparents, and friends towards our endowment invest in the future of St. Ignatius Catholic School and ensure that the school remains a leader in Catholic education for many years to come. Our current endowment is approximately $600,000 which generates about $30,000 in annual support. Increasing the endowment balances helps reduce the need for annual fundraising.

FUNDRAISING EVENTS:

Fun, family-focused activities such as "That Chili Thing" that help support annual expenses for the school.

JOY-FILLED STUDENT COMMUNITY

189 The 2020-2021 enrollment was 189, a 4% increase from 2019-2020. Despite COVID-19, we persevered with hope and our standard of excellence for learning continued. We had a strong year with tremendous growth and big dreams for the future.

CHESTERTON CHATS

From February through June of 2021, 90-minute presentations, called Chesterton Chats, were held to explain how a Chesterton Academy offers a joyfully Catholic classical high school education. They highlighted what makes a Chesterton Academy unique and also described ways this high school would be similar to others. The chats concluded each time with a question and answer time for students and parents to address their particular concerns.

High School Addition

Since 1871, St. Ignatius, through one of its many schools, has been providing Catholic education in the Kaukauna area. This school year not only marks the 150th anniversary of the opening of St. Francis in Hollandtown but also includes the addition of a new high school – the St. Ignatius Chesterton Academy. As word spread of our expansion, we were blessed with support from our community and school families and were able to begin the renovations needed to house our incoming high school students.
