"OUR JOURNEY THROUGH THE DESERT"

- *This year for Lent our students will be doing activities with their buddies including sitting with them during one of our weekday Masses, making cards and praying for each other.*

- *We will also be participating in a coin challenge again this year with the money going towards Catholic Relief Services.*

- *Students will also be participating in "silent lunch". The first 10 minutes of lunch will be silent for the students to reflect on their own Lenten journey. We have found that there is less waste from lunch when we do this and it gives the children an opportunity to reflect on themselves. They still have another 10-15 minutes to visit with their friends and all of recess time. This is a great way for students to "sacrifice" each day and it's something that even the youngest students are able to do.*

- *Stations of the Cross will be held on Tuesdays at 2:15 for grades K-4 and on Friday at 8:35 for grades 5-8. Parents and families are welcome to attend either one.*

- *Family Project – Our Lenten family project this year will be another Buddy Family project. You will be receiving an envelope with the name of your Buddy Family and a wooden cross. Your family will decorate the cross for your buddy family and return to school by Monday, April 15th. The crosses will be distributed that week. Watch for the large envelope to come home with more details on this (Funding for this project was provided by a grant through the Green Bay Diocese Catholic Foundation*
