

Jesus made it clear in the Scriptures that being stewards of our time, talent and treasure is part of the will of His Father.

- We believe that the work of stewardship and advancement, founded on the core Scriptural principles of stewardship and self-giving, is a ministry both to those who are invited to give and to those who benefit from the Church's work in countless ways.
- All we have is a blessing from God – every breath we take, every loved one, every freedom, every talent and ability, every material possession and every natural element in our environment.
- Appreciating how gifted we are by God, we as Christian Stewards give of ourselves in proportion to our many blessings.

“Do not neglect to do good and share what you have; God is pleased by sacrifices of that kind.”

Hebrews 13:16

As a faith community we want to ask all parish families to prayerfully consider giving five hours each week to our faith experience. In these five hours, we would like you to consider the following breakdown:

- Celebrate Sunday Mass with our faith community
- Volunteer in a parish ministry or in the community for at least one hour a week
- Pray for an hour during the week to bring you spiritually closer to Jesus.
- Donate at least two hour's pay to the weekly offertory collection.
