Notice that the Chalice and cups are placed leaving space in front

The Corporal and book are placed in the center of the Altar by the priest – if there is an additional paten with hosts, this is placed to the left of the book.

Now the servers and Father go to receive the gifts of Bread and wine from the congregation

Notice that the Flagon of Wine is place in front of the Chalice and communion cups.

Father will need water next to mix with the Wine ...

Then he gets his hands washed.
