WELCOME

St. Stanislaus is reaching out in service to our diverse neighborhood peoples. Please be generous in your support of the many good works of our Parish. St. Stanislaus depends upon the regular support of its membership and the generosity of those who visit here. Please look upon your financial gift or sacrifice as a way of giving praise to God along with the many from earlier generations who have worshiped and prayed here for 130 years.

PEACE GARDEN MEMORIAL BRICKS are still available for \$100.00 each by contacting the rectory office. We hope to get enough bricks for a spring 2007 installation. If you previously donated a brick, you may find it by taking a stroll in the garden.

A Year In Our Midst...

It was early evening, November 8th, 2005 that Archbishop Stanislaus Dziwisz gave the Shrine Church of St. Stanislaus the gift of a miter belonging to John Paul II. The details of that event will forever be etched in my memory. Having sat at the table in the salon of the Archbishop's residence in Krakow with the man who became John Paul II's closest aide and confidante over his decades of service, and seeing him give us this gift was simply amazing! I recall having had a difficult time sleeping that night after having returned to the apartment still floating on cloud nine. I was worried that the authorities would not permit us to take that treasure out of the country without proper documentation. As we went through customs the next day, the miter went undetected. In fact the only object that garnered attention was an icon of Our Lady of Czestochowa which I bought for my mother—it showed up on their radar screen leading to the expected unpacking, displaying, explaining, re-packing and, eventual, relief.

Back home in Cleveland the treasure of the miter was presented to the parish the following weekend and has now taken up its place in our midst before the shrine of Our Lady and the relic of St. Stanislaus. There it remains in a posture which looks as though John Paul II himself would be kneeling in front of that very shrine praying for those who ask for his help and for the intercession of his predecessor Stanislaus and the Mother of God, both always having held special places in his own heart.

I have seen so many parishioners and guests moved by that miter, our newest relic in the shrine. Those who have been able to touch it will each have their own private memories of its power. Those who have been touched by it during our ceremony of anointing have felt its energy. Those who have prayed beside it have found a new friend who helps present their prayers at the foot of God.

As we progress through the month of November remembering the saints and faithful departed we know that we have some very special friends right here in our midst in a very special way. Let us continue to ask the saints to continue to intercede for us as we ask them to help us pray for the of those still in purgatory who cannot pray for themselves. With all the wonders which God has already worked before our eyes, why would He stop now?

WOMEN WHO GAVE THEIR ALL

The Bible is filled with women (and men also) who gave their ALL to God, among whom is **the widow of Zarephath** (mentioned in **the first reading** for this Sunday) and **the woman in the temple** (mentioned in this Sunday's **gospel selection**). They and their stories offer us an opportunity to ponder what it means to give ALL to God out of love and out of their poverty. They

are examples of giving God the primacy in one's life.

The widowed woman of Zarephath, mentioned in the first reading, gave ALL the food she had as well as lodging to the prophet. It was a way of giving ALL to God, because she had to depend on God to sustain her and her child. **The poor widow** who put two copper coins into the box in the temple, mentioned in the gospel reading, gave ALL the money she had. She, too, had to depend on God who would provide for her.

Have you ever given your last "penny" to someone in need and believed that you were giving your ALL to God, who would provide for you, even though at the time you didn't know how this was to happen? If you did, you have some experiential idea of what the widow of Zarephath and the widow in the temple did when they gave their ALL. If you never had that experience — not only in the material realm but also in the spiritual realm — then it would be beneficial to pray for that experience and wait for the grace moment when you can. Don't be afraid. It will help you to understand somewhat better what Jesus was trying to teach his disciples and what was necessary to be a disciple..

The gospel selection was a teaching response to scribes who, among other things, would "devour the houses of widows." In contrast to their behavior, which they tried to justify by saying long prayers, Jesus extolled a widow who "put in more than all the other contributors to the treasury." **The widow** became the central character of the story. Why? Because she, who was poor and the needy and had no rights guaranteed by law, contributed ALL she had from **her poverty**, while they contributed from **their surplus wealth**. She was in the temple, — God's home — seeking the protective grace of God. She not only came to pray or to perform some holy ritual but also to contribute her WHOLE BEING in some action to the Lord, who expected and demanded ALL from her. Her posture in the temple was in contrast to the scribes, who liked to go around seeking recognition and gestures from people and places of honor because of their status. They were people and self-oriented rather than God-oriented.

Sometimes, as generous as we think we are, we don't give our ALL — materially or spiritually. We give leftovers, which we have on reserve, so that we do not rely TOTALLY on the Lord but on our reserves. Perhaps, this may be OK, since it does benefit others, as long as we are not under the illusion that we are giving ALL from our poverty and out of love. This giving of ALL to the Lord comes down to trusting God to be ALL for us in ALL real life situations. St. Francis of Assisi and the Franciscans throughout the centuries adopted the saying: "My God and my ALL." We need to adopt this motto also and pray for the strength of the Holy Spirit to fulfill it in us and in others.

Peace and Good! **fr. Cam**

Swiето Niepodleglosci

11 listopada obchodzimy Swiето Niepodleglosci Polski. Tego dnia w roku 1918 zakonczyła sie I wojna swiatowa, a w Warszawie nastapilo przekazanie przez Rade Regencyjna wladzy nad podleglym jej wojskiem Józefowi Pilsudskiemu.

Obchody tego swiета maja cos z tragiki dziejów Polski. Mimo ze od 11 listopada 1918 roku minelo juz 88 lat, oficjalne obchody miały miejsce do tego roku tylko ... 20 razy. Dlaczego tak? Poniewaz ustanowienie tego swiета miało miejsce dopiero w 1937 roku, przed II wojna swiatowa obchodzono je tylko 2 razy: w latach 1937 i 1938. W czasie wojny bylo to niemozliwe z oczywistych wzgledów. W roku 1945 roku wladze komunistyczne ustanowily swiетem panstwowym dzien 22 lipca – Narodowym Swiетem Odrodzenia Polski. Dopiero w czasie obrad okraglego stolu w roku 1989 Sejm przywrócił na nowo obchody Narodowego Swiета Niepodleglosci na dzien 11 listopada. Jesli zatem policzymy, w tym roku sa to dwudzieste obchody. Mamy tu oczywiscie na mysli obchody oficjalne w Polsce, poniewaz w osrodkach polonijnych za granica, Polacy nieprzerwanie pamietali o tej rocznicy.

Ten szczególny dzien sklania do zastanowienia sie nad naszym patriotyzmem i do jego promowania. Dzieki miłości do Ojczyzny tylu pokolen Polaków, Polska mogła odrodzic sie jako wolne panstwo po 123 latach niewoli. Dzisiaj nasza Ojczyzna przezywa rozmaite przeobrazenia, ale patriotyzm ciagle powinien stac na strazy godnosci naszego Narodu, jego kultury i obyczajów, czyli dziedzictwa naszych ojców. Z różnych powodów przyszło nam zyc w USA, z dala od Ojczyzny. Jest godne uznania i pochwały pragnienie pielegnowania pamieci o swoich korzeniach i zdrowa dumą z naszego dziedzictwa. Oby takze nastepne pokolenia chcialy o tym pamietac, bo czlowiek, który zapomina o swoich korzeniach, zapomina o swojej tozsamosci, nie wie kim jest, - staje sie **wykorzeniony**. Naszym pragnieniem niech bedzie zatem zachowanie dziedzictwa naszych ojców: polskiej kultury i jezyka.

Jezyk poezji lepiej nadaje sie do tego, aby mówic o miłości do Ojczyzny. Zakonczmy zatem te refleksje fragmentem wiersza nieznanego mi autora:

Zolnierz polski w rosyjskim Mundurze szedl na fronty. Bronic obcego cara W ramach wielkiej Ententy.	I gdy sie wydawalo, Ze swiat sie musi skonczyc, To zolnierze powstali By zniwa s mierci zakonczyc.
--	---

A drugi w pickelhaubie, Pod ogien cekaemów Szedl rozszerzac imperium Pruskich Hohenzollernów.	I pierwszy raz w historii Prosty zolnierz wygrywa. I przyszedl dzien pokoju, Zakonczyl smierci zniwa.
--	--

Trzeci austrowegierskie Karmil krwia swoja drzewa, W calkiem zdziecinnia lego Armii Franza-Josepha.	A swiat jest znowu ten sam. I tylko mala zmiana... Ktos skreslil napis WAR- SCHAU, I napisal WARSZAWA.

JESUS, REMEMBER ME...

...may I come into your Kingdom! This is the refrain to a song sung at most of the funerals celebrated at St. Stanislaus as we commend our beloved dead to the care and eternal mercy of our loving God. During the month of November, we remember the faithful departed in a special way. This year we are inviting parishioners to bring to the church photographs of those who have died and who remain in their hearts and prayers. These will be placed near the Altar of the Passion from November 1 until the Feast of Christ the King at the end of November. Please write your name and phone number on the back of each photo, so that we can contact you if you forget to retrieve them at the end of the month.

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT NEXT WEEK

Poverty in America continues to rise, despite the fact that many people work full-time and at more than one job. Housing and health care costs are skyrocketing, and wages are not keeping pace. This very day, 37 million Americans are struggling to escape poverty—and Catholics across our country are part of that change. Join in solidarity with the Catholic Campaign for Human Development (CCHD) to end poverty in our nation—one community at a time. Please use the envelopes provided in your monthly envelope packet and please be generous.

Your generosity will help low-income people as they work together to solve community problems, increase educational opportunities, and create jobs. CCHD is committed to helping people find permanent solutions to the problem of poverty, but they cannot do it alone. You can make a difference.

2007 MASS BOOK IS OPEN

Those who wish to reserve Masses for wedding anniversaries and anniversaries of deaths in 2007 can do so in person on Thursdays and Fridays, from 9:30 AM until 4:30 PM. You may also mail your Mass intentions or drop them into the collection basket along with the customary stipend and your requested dates. *Please do not phone as we cannot accept phone reservations.* We will make every effort to reserve the dates you choose, but if your requested date is not available, we will accommodate your request with the closest date possible. The amount of Masses may be limited per person, so that others may also have an opportunity to reserve dates.

ST. STANS HISTORICAL FACT

In the late fifties and early sixties, St. Stanislaus Parish had one of the biggest Cub Scout troops in the area. Cub Scout Pack #393 offered boys opportunities for camping, religious education, and group outings. There was also a Boy Scout troop, and later a Girl Scout Troop was added in the early sixties. Many memories of Cub Scout activities included den meetings, pack meetings, participating in the Corpus Christi procession, the Pine-wood Derby, merit badges, and camping trips. Some of the Cub Masters of that time were Jack Nairn, Chester Ostrowski, Joe Krsak, Jim Anielski, and Joe Bart.
