### Golgotha

### XI. Jesus Is Stripped of His Garments

In another time He would have been led to an electric chair, fully clothed, in virtual silence, out of the sight of the masses. (How civilized!) At Calvary He carried His own throne, was stripped naked, and ridiculed by his executioners and enemies. The ‘Emperor’ was wearing His new clothes. The Lamb of God was shorn before the slaughter. Before the eyes of all the universe there He stood...naked.

Blood and sweat became the robe of the King of the Jews. Torn flesh became the precious gems which adorned His robes. The heartbeat of Jesus quickened. His mind focused on the task at hand - the salvation of humanity.

*Sacred Head. Sacred eyes. Sacred hands. Sacred legs. Sacred chest. Sacred blood. Sacred body. All would be immortalized soon. A piece of bread. A cup of wine. A banquet.*

The mother of Jesus held up her baby with her tearful eyes. All she could do was stand there and watch. From the time of His conception in her womb she knew this day would come. That did not make it any easier. She remembered taking off her baby’s clothing to bathe him...Then she could at least cuddle him, tickle him, sing to him. Now she couldn’t. The next sword was about to pierce her heart.

**FLOWERS OF THE FAIREST**

Whew! What a weekend! Last weekend was one of those that got our heads spinning, always something big right around the corner. Friday was First Friday with visits to the home-bound. Also, our Franciscan Provincial Minister arrived with two other visiting friars. The Four Eagles Award Dinner was Friday evening, when several dozens of people kicked off a year-long celebration of Franciscan presence at Saint Stanislaus. Sunday we celebrated the Feast of our Patron with a festive, bilingual Mass and procession. Sunday was also the Polish Constitution Day Parade, and we ended the afternoon with a lovely and tender devotion to Our Lady, the May Crowning.

The May Crowning was a fitting and peaceful conclusion to an otherwise intense weekend. There was the anticipation of wondering whether all the rose petals would be released from the ceiling (they all did this year!), the praying of the rosary in two languages, the singing of the old Marian hymns we remember from our childhood.

---

**The fairest and rarest flowers are the People of God assembled here in worship.**

---

How deeply moving it was to watch as each person placed a flower in the vase before the image of Our Blessed Mother, touching the hands or brushing the cheeks of the statue, whispering a prayer brought to God by our Mother who loves us.

As we were singing "Bring flowers of the fairest, bring flowers of the rarest..." it occurred to me that the fair and rare flowers are not only the blossoms we carried forward. Indeed, some of those are already beginning to fade. No, the fairest and rarest flowers are the People of God assembled here in worship. Two women from the parish, our fair flowers, crowned the image of Our Lady — a young pregnant woman due any day to deliver her first child, and an older woman deeply devoted to prayer as more of her friends go on to meet the Lord in eternity. The people who gathered the fallen rose petals to take them home to friends and loved ones who could not come and pray with us — these are our fair flowers, too.

Some people came to pray as children who seek comfort from their Blessed Mother, seeking a sense of embrace, a loving touch, a kiss of holiness. Some seem to be at war with their own bodies as age and illness slow their steps, stooping their stance and making their bones creak. Many young people were present, seeking perhaps a sense of the cosmic unity and goodness of all creation, found in Mary who was conceived in the plan of God before sin ever entered the picture, assumed bodily into heaven as the first to receive fully what awaits all who follow the Lord.

In a culture that is ever more profane, we celebrate purity. In a culture that is ambiguous about commitment, we remember Mary saying, "Let it be done according to your will." During a time of war, we look deeply into the icon of peace, becoming transfixed by the possibility that there is indeed another way of being in the world. A generation that feels lost honors the First Disciple, the one who bore the universe in her womb, our living tabernacle. *Mater Dei, ora pro nobis!*

*Fr. Michael*

**MOC KOMUNII SW.**

Szybko mija radosny Okres Wielkanocny, kiedy to przeżywamy radość ze zmartwychwstania Chrystusa i napawamy się otwartą perspektywą naszego zmartwychwstania. Już za kilkanaście dni będziemy świętować wstąpienie Jezusa do Nieba i Zesłanie Ducha Świętego. I znów poczujemy się trochę osieroceni. W rzeczywistości powinniśmy jednak zdawać sobie sprawę, że Chrystus wstępując do nieba nie zostawia nas „sierotami”. Zaraz po wniebowstąpieniu zsyła dla nas Ducha Świętego, aby nas umacniał w wierze i obdarzając swoimi darami, prowadził po Bożych ścieżkach. Przede wszystkim jednak, szczególnie w okresie wielkanocnym winniśmy sobie uświadomić, że Chrystus Zmartwychwstały jest stale obecny wśród nas i dla nas. On jest obecny w swoim Kościele i w swoich sakramentach.

W dzisiejszej Ewangelii Jezus przypomina nam, że On jest „krzewem winnym”, a my - „latorosłami”. I dalej: „Kto trwa we mnie, a Ja w nim, ten przynosi owoc obfity, ponieważ beze Mnie nic nie możecie uczynić”. To Chrystus jest krzewem winnym, a my wszyscy - przez wiarę i sakramenty - jesteśmy w Niego włączeni jako latorosle. On jest źródłem życiodajnych soków - niezmiernych Bożych łask. By zaś czerpać z tego źródła musimy się wszczepiać w sam „Krzew”. Najlepiej i najmocniej dzieje się to przez przyjmowanie łask sakramentalnych.

Dzisiejsza uroczystość Pierwszej Komunii świętej jest doskonałym potwierdzeniem prawd zawartych w Ewangelii. Każdy z nas poprzez chrzest po raz pierwszy został wszczepiony w Jezusowy Krzew, a później miał szansę umacniać tę wiarę przyjmując Spowiedź, Komunię świętą, oraz kolejne sakramenty.

Dzisiaj, uczestnicząc w wielkiej radości naszych dzieci warto, choćby przez chwilę wrócić myśla do swojej Pierwszej Komunii Świętej oraz zastanowić się czym obecnie dla mnie jest ten sakrament. To Msza święta i Komunia powinny uzmysławiać nam wielką i niełatwą prawdę, że Jezus Chrystus, Syn Boży, tak bardzo umiłował człowieka, że zżył się tak do niego, do każdego z nas, że stał się pokarmem. Ta niesłychana bliskość czasami nas kępuje, bądź wywołuje niezrozumienie. Dlatego w niejednym przypadku zbliżenie się do stołu Paskiego dokonuje się zbyt rzadko, z pewnymi oporami, zaś w innym bez właściwego przygotowania potrafimy przyjmować Boga w Komunii jakby „z rozpedu”, niemal mechanicznie. Z pewnością, z jednej strony potrzeba zrozumienia, na ile to możliwe Bożych tajemnic, z drugiej strony potrzeba nam wszystkim tej prostej, dziecięcej pokory i ufności, aby móc przyjąć jakikolwiek dar z rąk Boga. Dzisiejsza uroczystość zdaje się przypominać nam o tym, że nie w ludzkiej mądrości i pysze, ale w prostocie i pokorze można odnaleźć drogę do Chrystusa. To te dziecięce, niewinne serca, ich oczy pełne wiary, zdają się to potwierdzać.

Dzisiaj więc, w tę wielkanocną niedzielę szczególnej Komunii Świętej, próbujmy doświadczyć mocy Bożej łaski, kiedy z miłością spoglądamy na rozradowane dzieci. To przez nie Chrystus przemawia do każdego z nas i bardzo pragnie zaszczerpać nas ich szczerą radością dlatego, że Pan Jezus zamieszkał w ich sercach.

*ks. Jerzy*

### DZIEN MATKI I PIERWSZA KOMUNIA

Dzisiaj, w druga niedziele MAJA przypada Dzień Matki. To bardzo dobry czas na docenienie wielkiej troski wszystkich Matek. Wspaniałym prezentem dla Nich może być nasza modlitwa w ich intencji. ### SAINT STANISLAUS POLISH FESTIVAL COMMITTEE MEETING

Can you believe it? We're barely past Easter and already we're thinking about the festival! The dates for the next annual St. Stanislaus Polish Festival are October 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup>. **Attention ALL parishioners!** you are invited to join our committee of friends to help us plan this year's festival. On May 17, 2006 at 6:30 PM we will have our first committee meeting in the rectory conference room. Whether you have been on the committee for the last thirteen years or if you want to join the team this year, **ALL ARE WELCOME!** Without you our wonderful festival cannot be successful.

Watch this space for the big summer cooking schedule which will start in June. If you have any questions or comments please feel free to contact either Marilyn at 216-441-1533 or Joe 26-271-0832. Looking forward to seeing you at the meeting!

### PARISH FINANCE UPDATE

The parish and school budget years run from July 1 until June 30 each year. With the monthly financial report prepared at the end of April, and only two months left to the budget year, it is helpful to look at where we are at and where we need to be going so that our financial house is in order and we can continue our mission of worship, education, and service to the community. A more comprehensive financial report will come after our financial report is reviewed this summer.

We budget for a regular weekly collection of \$6,000 per week. This is the mainstay of running the parish. You may have noticed that the winter months — which were hard on all of us — saw a drop in collections. Although we have come back up a bit since the winter, we are still about \$10,000 behind where we should be so that we can meet our budget at the end of the year. **If every person who attends Mass gives an extra \$2 a week until the end of June, we will meet our budget.**

Our extra fund-raising activities have helped a great deal. We have started several new programs, and they have helped. For example, over \$10,000 has been given in tuition aid through the Fr. William Scholarship Fund so far this year. The Manna Program, Shrine Shoppe, and the Alumni have together generated almost another \$10,000 so far. We need to work extra hard to make sure our very successful Polish Festival meets and surpasses its past success, last year netting about \$45,000 profit. Overall, we are on-target with our extra fund-raising budget.

On the expense side, this past year the gas utilities have really hurt us — as they have everyone. Our winter heating bill (October–March) for the church was \$26,311.10. Heating the parish offices and rectory cost \$7,635.91 this past winter. Because we invested in an efficient new heating and air conditioning system in the rectory, our gas usage dropped by more than half. This will be very good for us in the long run.

The overall expenses of running the parish offices and staff are generally on target, and in some cases a bit lower than expected. We have three priests who receive a full time salary and benefits; three full time lay employees; a full time maintenance person whose salary is split with the school; and a part time housekeeper. There is no parish cook. It is hard to see how these expenses can be trimmed unless we let someone go. But our parishioners are accustomed to a level of service that would make these kinds of cuts hard to accept.

## ALUMNI PICNIC

If you are a graduate of Saint Stanislaus Grade School or High School — from any year at all — then we have something great in store for you! At our first alumni event last January, over 500 people came to the reunion. Classmates from 1925 to 2005 were present. Eight generations of grateful grads! So many asked for another chance to get together, so our Alumni and Development Committee has planned an **ALUMNI PICNIC for Pentecost Sunday, June 4.**

Come to the 11:30 Mass, and afterward join your friends, young and young-at-heart, for food, drink, snacks, and a good time inside the social center and outside at the picnic tent. Just a \$10 donation covers your lunch and drinks. Call 341-9091 for reservations, and call your classmates — see how many you can locate and get to come! Families welcome!

## ONGOING FAITH EDUCATION

You wouldn't go to a doctor who only has a high school education, would you? Yet so many Christians stop learning about their faith once they leave school. Part of the reason for this is it is hard to find good, up-to-date, understandable guides for reading and study.

The Franciscan Friars in Cincinnati, who publish the *Saint Anthony Messenger* as well as many other printed and video materials, also prepare a wonderful monthly pamphlet to help Catholic Christians continue to grow in the knowledge of their faith. It is called *Catholic Update*. A new issue appears each month, and the topics cover a broad range of interest, like morality, spirituality, liturgy, history, the saints and devotions, etc. Saint Stanislaus has taken a one year subscription to this series for our members. The issues are available at the exits of the church, in the bulletin racks. Take them home with you. Read them carefully, study them, even talk about them with others. Let us know if they have been informative and helpful to you. Please limit yourself to one per family.

## CONGRATULATIONS MARILYN MOSINSKI

The first of many parishioner graduations was celebrated by Marilyn Mosinski last Wednesday in the Cuyahoga County Administration Building downtown. In a series of intensive courses spread over the last year, Marilyn studied with other professionals in the field of economic and community development as they pursued advanced skills in their fields. Sponsored by the National Development Council, these courses give their students credentials that are sought around the whole country.

Marilyn is the Executive Director of the *Pulaski Franciscan Community Development Corporation*. This is the outreach established by the Saint Stanislaus community five years ago next month to enhance the quality of life in the neighborhood surrounding the parish and school campus. While *no parish funds* are used in this work, private benefactors and public funding have made many wonderful things happen in our neighborhood. You can join in celebrating, and help to continue, the work of the PFCDC at the annual reception to be held this June 2 at 5:30 PM. Watch the bulletin for details, or call Marilyn at 271-6630.
