**\*\*WE NEED YOUR HELP!** As part of this 50th Anniversary Celebration year the parish is putting together a collection of stories that reveal the foundations and character of who we are. If you have any good stories about events or personalities that relate to parish life that you would like to share and preserve, please write them down and send them to the parish offices C/O Anniversary History Committee. We hope to print a final edition of this history with as many stories as possible in July.

This week you should be receiving the 2nd Quarter parish report and letter. Please over these materials and contact me if you have any questions regarding. A good steward is responsible and accountable.

Lastly, please remember to mark your calendar for the Parish Mission scheduled for February 9th, 10th, and 11th.

God Bless -- thanks again to all who made our weekend celebration a grand event.
