Hi Friends!

My child's school participates in an ongoing fundraiser called SCRIP. It is a program where our school purchases gift cards at a reduced rate and we get to keep the profit.

For example, a Giant Food Store \$100 gift card can be purchased by our school for \$95. We charge \$100—the purchaser gets \$100 gift card, but the school keeps that \$5. So unlike other fundraisers, you are getting exactly what you paid for—nothing is overpriced!

Attached is a list of vendors that our school keeps on hand for everyday purchase. If you would order one of these cards, I can usually get it to you the next day. There are tons of other vendors online at [www.shopwithscrip.com](http://www.shopwithscrip.com). If you would like to order from the online selection, it takes about 1 week to get the gift cards. You may use the attached order form if you would like to place an order—I can get more if needed.

With the holidays quickly approaching, I know many people buy gift cards. Also Black Friday shopping is right around the corner! Please consider purchasing them through my child's school 😊 It will even save you the trouble of running all over town to pick up those gift cards!

Weis and Giant cards are always available too—and everyone needs groceries, right?

I appreciate your consideration in helping with my child's fundraising efforts!

😊
