## **MISSION STATEMENT**

The St. Mary of the Bay Food Pantry, a Catholic all-volunteer lay organization, fosters spiritual growth through charity by serving those who are in need regardless of creed, ethnic or social background, health, gender, or political opinions.

Our pantry is considered an Emergency Food Pantry. That means it is not possible for us to provide all the food needed by those we serve, nor is that our intent. The food we provide is to supplement other sources of food.

We strive to provide food for anyone in need. Each person who walks through our doors is welcomed with a smile and treated with dignity and respect. We cannot solve the problem of hunger in our society, but we can make today a bit more tolerable for those in our midst who are hungry.

In addition to distribution of food, we provide information to our recipients about area resources to assist them in achieving self-sufficiency.
