Have you checked out the new website?

www.northcountrycheviot.com

There are opportunities for you to link your farm website to the North Country Cheviot website. We encourage you to become a sponsoring breeder. A sponsoring breeder is featured on the front page of the website, with a revolving ad and a link to your farm website. This service will be free through June 2016. Signing up is easy. Send an email (to mhn@gervais.com) with your request, a jpeg file (preferred) with a 5" x 5" designed ad and your farm website address. The 5 x 5 picture is the most readable. If you reference the website, the Littledale ad is 5 x 5, the Thomas ad is 5 x 8. The website shrinks the picture to fit. If it is larger than 5 x 5 it is difficult to read. An annual fee will be set in June for sponsoring breeders, to help pay for the new website. It will be tied to your annual membership.

The new website has been live for 3 weeks and has google analytics attached to it. There have been 197 hits, with 147 users from USA, 16 from Canada, 14 from United Kingdom and 1 each from several countries including Switzerland, Spain, and New Zealand. The analytics reports that most people used computers with 49 using a mobile phone and 14 using a tablet. The website is being hosted by a national company that has been in business for 40 years. The webmaster is your secretary.

If you have an event or story you would like included in the website, just email a word document. All pictures need to be jpeg files with a size 1 megabyte or less.

We are looking for a few good farm pictures, please submit your farm picture by email.

Take advantage of this opportunity and become a sponsoring member.

**Director at Large Elections
to be held in June.**

Nominations now open. See
article on page 2 for more
information.

magnificent breed.

Notes from your President, Brett Kessler

Greetings from Clay Hill Ranch, we hope everyone is having an excellent lambing season and looking forward to an exciting year in the North Country Cheviot breed. As I pen this message, we are down to our last eleven ewes to go after having a beautiful set of twins this evening.

I would like to thank the board for the opportunity to lead this organization once again. In this newsletter you are receiving information about the upcoming election for your board of directors at large. If you're interested please submit a resume for the upcoming elections. Your input is important to the future of our breed.

After having some technical issues, we are pleased to announce that the North Country Cheviot website is back on line. It has been upgraded and is much more user friendly. Please feel free to share photos and other stories you may have with us.

I Hope you are looking forward to the National North Country Cheviot Sale in Petersburg, West Virginia, held in conjunction with the West Virginia Purebred Sheep Show and Sale June 3 & 4, 2016. This sale is an excellent opportunity to get your hands on new genetics for your flock.

We are also pleased to announce that the 2016 National

North Country Cheviot Show will be held his year at the State Fair of West Virginia in Lewisburg, West Virginia. Please make plans to .join us for this show as we will once again have youth classes availed during the show. The decision was also made for the 2017 National show and plans are in the works for the show to be held in Washington, look for more details to follow.

I look forward to another exciting year for our breed and what the future holds for us; please let me know if I can help you in any way. Best wishes from Northern Indiana

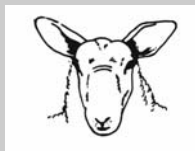

**Nominations now open
for Director-at-Large**

If you would like to be a Director at Large, mail your nomination to Bonnie Henny by May 1.

**Nominations must be written
letter only with a short
biography about the nominee
and their North Country
Cheviot Sheep. The letter
must be received at the
Oregon Office by May 1.**

3 directors will be elected. Nominee must be a active breeder and have registered sheep in the last 2 years.

AMERICA NORTH
COUNTRY CHEVIOT

**2017 National Show
will be at Western
Washington State
Fair, Puyallup
Washington within
36 miles from
Seattle.**

This fair is in the top five for attendance in the nation. It has held North Country Cheviots Classes for the past 30 plus years.

The sheep show dates are yet to be announced.

It will be in mid-September 2017.

Start making your plans to the west coast.

**We want you at our
National Shows and
Sales.**
