

Movie Nights!

On the first Saturday of each month, our REC, located in the basement of the Parish Center, hosts “Movie Night”. Movie Night begins at 6:00pm with either a team activity or open REC followed by a designated, family friendly, movie. If movies are rated pg-13, we will have a special permission slip before allowing teens to attend. Information about movie names and ratings will be available through the Parish Bulletin, School backpacks, and Lifelong Faith Materials.
