1. At our last Wednesday night session, I took note of a few families that are not sending their kids, but by our records still should be. I will contact them to see about any concerns they may have.
 2. By our meeting, I should have sent fee reminders to all who have not paid. I am including in the note some of things that the fee pays for. Does anyone have any ideas on how to improve fee collection?
 3. Last meeting, we talked about using the room off the school gym for 7-8 grade next year. After talking with Katie Fahey, this should not be a problem and will free up more Wednesday nights for both 7-8th grade and high school.
