

# Get Involved

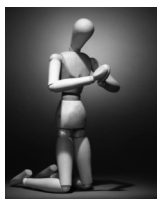

at Sacred Heart, Horicon

The following groups and committees are always looking for more volunteers to support the Sacred Heart Mission. How would you like to serve the Lord?

- **Human Concerns** - assists the needy locally and internationally. In the local area (Horicon, Iron Ridge, Juneau and Burnett) many different programs provide assistance each season based on specific needs including the food pantry which is open two days a week and serves more than 70 families each month. Outside the immediate area, this committee supports programs within Dodge County, within the Southeastern part of Wisconsin and a sister parish, Our Lady of Guadalupe in Esperanza, Nicaragua.

- **Worship** - involves many people who behind the scenes plan the liturgies, decorate and serve communion to the homebound. There are also those you see helping during Mass who sing, usher, greet, lector, serve and distribute the Eucharist.

- **Prayer Line** - parishioners who are willing to pray for you and others when needs arise.

- **Fundraising** - plans and organizes 4 major fundraising events held throughout the year. They are the Harvest Fest held in September; Chili Soup Supper held February, 3 Fish Fries held throughout the winter and the annual Rummage Sale and Brat & Burger Fry held in June.

- **Christian Formation** - provides an avenue for all to learn more about our faith and relationship with God through catechism classes, Scripture from Scratch, RCIA just to name a few.

- **Parish & Community Life** - organizes social activities for the parish and especially works to welcome the new parishioners.

- **Christian Women** - a self supporting social organization of Sacred Heart Parish that also organizes funeral dinners and supports our Mission Workers (quilters) and Rosary Makers.

- **Knights of Columbus** - is a Catholic men's fraternal benefit society who works closely with the Human Concerns Committee.

- **St. Vincent de Paul Society, Horicon** - a Catholic lay organization where members join together to grow spiritually by offering person-to-person financial aid to those who are needy and suffering in the local area of Horicon, Juneau, Iron Ridge and Burnett.
