

Kindergarteners & First Graders:

Our young Catholics in Kindergarten and First Grade will join their classmates and teachers 15 prior to Mass on the scheduled days for an adventure they will LOVE. In addition to music, games, friendships and more, students will review and discuss the “Promise” weekly reader that directly relates to the Gospel readings of the week. They will also work with the “What the Church Believes and Teaches” workbook!

Students will reunite with their family right before Holy Communion in Church!
