RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb's ParentsWeb is a private and secure parents' portal that will allow parents to view information specific to our school and your children's class. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Make sure that the school has your email address in RenWeb.
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click **Logins**.
- Type the school's **District Code** (call office for verification to get code)
- Click **Create New ParentsWeb Account**.
- Type your email address and click **Create Account**. An email will be sent which includes a link to create your ParentsWeb login. The link is active for 6 hours.

- Select the **Click to Create your ParentsWeb login** link.
- A web browser displays your **Name** and RenWeb **Person ID**.
- Type a **User Name**, **Password**, and **Confirm** the password.
