

Prayer Shawl Ministry

Pat Messina coordinates this ministry and would be happy to explain it to anyone. Prayer shawls are given:

To comfort those who are ill, those who have lost a loved one those who are going through a difficult time.

To celebrate births, weddings, special birthdays or anniversaries.

To support those who are homebound or in nursing facilities.

Roles for this ministry include anyone who can knit or crochet and persons who can deliver the prayer shawls to those who are to receive them. We also take donations of yarn for this ministry.
