Dear «FIRST\_NAME»,

We want to thank you for your generosity and kindness by sponsoring a student from the Dominican Republic. The Escuela Taller Santa Maria Joesefa Rossello has grown in the 7 years that Mission from the Heart has been partnered with it. The school now has 400 students in grades preschool through 7<sup>th</sup>. It is the only school in the area that offers educational programs for the average child as well as children with special needs. Your sponsorship provides 2 nutritious meals each day, school supplies, and improvements to the school. At our last Mission from the Heart meeting we learned that the price of milk in the Dominican is so high that the children only get milk when they come to school.

We recently had updated pictures of many of the students sent to us. You are one of the fortunate families to be receiving a picture of your child. As more pictures are sent to us we will pass them along to other families who sponsor a child.

Thank you again for all the prayers and for your sponsorship in this project. We are proud of the support we get from our faith community.

God bless you,

Mission from the Heart
