

St. Mary Christian Formation

7307 40th Avenue • Kenosha, Wisconsin 53142

October 2019

Dear Parent(s)/Guardian(s),

Welcome back everyone and a special welcome to those families who are joining our program for the first time this year. We are happy you've chosen St. Mary's Christian Formation Program for your child(ren)/teen's formation. Please read the following enclosed information carefully:

- There is access to the school from Bell Hall (church basement) through the tunnel. All other grades will use Door # 10 when entering the school building.
- Preschool/Kindergarten & First Grades are located in the school basement (see map). Please use Door # 6. You must use the buzzer system for this door if you arrive before or after 9:15am.
- Please check the map for room locations.
- The Christian Formation office (during class time) is located on the 1st floor of the school, directly across from door #10. When class is not in session the Christian Formation's main office is located in the Parish Office building on the corner of 73rd and 40th Avenue.

We look forward to working with you and your child(ren)/teens this year,
