Dear Supporter:

We would like to express our sincere appreciation for your interest in supporting the Church of St. Anselm's Hawks, Youth Athletics Program. If you are a new sponsor, let us take a moment to introduce the programs.

The Hawks Youth Athletic Programs were established through the creation of the Boys & Girls Basketball and Track teams in 2015. In basketball, we fielded three divisions: 3rd/4th grade instructional, 5th grade competitive and 6th grade competitive. The track program consisted of Pee-Wees and Juniors. We had a very successful first year; as our Junior Boys track team placed 1st in the Championship meet. The greatest accomplishments were not measured by wins or losses, rather by individuals becoming a team and more importantly friends.

Today we offer many different programs. They include: track and field, soccer, basketball, and cross country. We held our first basketball clinic over the summer and we are currently working on a bootcamp for spring sports. Our athletes range in age from Pre-K/K to 8th grade and grew in number from 60 to over 150. We started with 6 coaches and now we have over 20 individuals donating their time and talent to help this program succeed. Including several of our graduated 8th graders who were here in the beginning and have come back to take on a new role of helping. However, all these programs come at a cost, especially the facility fees since we do not have our own gym, track or fields and are forced to rent.

Our primary source of funding is the participation of supporters like you in our fundraising activities. Currently, we are organizing our 4th Annual Pre-Father's Day 5K/1 Mile walk to be held on Saturday June 16, 2018 at Joe Palaia Park in Ocean Township.

Attached is our Sponsor/Donation form, which indicates a variety of donor levels. We hope you will be able to sponsor this event at any level which is comfortable to you. Plus we hope you will be able to join us at the 5K Run/Walk on June 16th.

Thank you in advance for your generous contribution. Your financial support will enable us to continue to offer a variety of outstanding, low-cost athletic activities to the youth of our community. 100% of these proceeds go to funding the programs and help provide items such as uniforms, equipment and facility fees.

Regards,

Fran Burke
