Classroom Set Up

Children will be divided into three different groups. Our toddlers, children aged 24 months and older, will be placed together. Our wobblers will be new walkers, aged roughly 12 months through 24 months. During the Mom's Day Out hours, 8am-12pm, these children will complete art projects, participate in games and age-appropriate activities, and work on language and personal development. If your child stays through the afternoon, we will have lunch, nap time and various afternoon activities.

Our infant group will consist of babies not yet walking. The schedule for these children will depend on each child's individual needs.

Drop Off and Pick Up

Mom's Day Out parents will walk their children in each morning and sign in with their child's teacher. Parents will follow the same procedure in the afternoons for

pick up. You must sign your child in and out every day. Please remember to inform us if someone other than mom or dad is picking up your child.

Our Staff

The director of St. Mary Mom's Day Out is Laurel Dolan. She can be reached at 251-432-8678 x6 or by email momsdayout@stmarymobile.org.

The staff is made up of highly qualified teachers and caregivers, all of whom have had many years of experience working with children. All staff members have undergone a background check and all are CAPPs trained by the Archdiocese of Mobile.

What to Bring

Nursery babies should bring whatever they need according to their daily schedule. We ask that each child bring a box of diapers and a pack of wipes each month. Each child should also bring a labeled Ziploc bag with a change of clothing.

Each child should bring a backpack/bag each day and a lunch box with at least 2 drinks and 1-2 nutritious snacks. If your child stays through the afternoon, please pack a lunch each day and an afternoon snack. **No chocolate or candy please.** All bottles, sippy cups, pacifiers, security blankets, etc. must have names on them.

If your child (wobblers and toddlers only) stays all day (8-4) he/she will need to bring a nap mat. We will send home mats at the end of each week for cleaning. Nursery babies do not need mats.

Because sometimes little ones have trouble sharing, we ask that toys from home stay at home.

What to Wear

Most of our children will play on the playground each day if the weather permits. Please dress your children in play clothes along with shoes that Velcro or tie. We would greatly appreciate you dressing your child in clothes that are easily removed or undone for diaper changing. No flip flops or crocs please. Please remember to label all clothes and shoes with your child's name.
