Musicians are responsible for finding a sub for any Mass assignment you can't fill. Thanks for your willingness to fill in for others! As I mentioned when I make song schedule, if you don't know a song, you can either change it or get together with accompanist to practice it; I will also happily go over music with anyone! If you'd rather not do the Gospel Acclamation in the R&A book (because some are tricky!) you can always substitute Alleluia #1 or Celtic Alleluia. If for some reason someone doesn't show up due to weather/illness & you feel comfortable, please step up to help!

Again thank you so much for sharing your talent! If you know of anyone who wants to join our musician group, they are more than welcome! We are very fortunate to have such wonderful musicians!
