FOOD FOR THOUGHT

A parish pastoral council is a consultative body in parishes of the Roman Catholic Church that serves to advise the parish priest about pastoral issues. The council's main purpose is to investigate, reflect and reach conclusions about pastoral matters to recommend to the parish priest as appropriate.

The pastoral council can be a most useful aid providing proposals and suggestions on missionary, catechetical and apostolic initiatives as well as on the promotion of doctrinal formation and the sacramental life of the faithful. The pastoral council is to be seen in relation to the context of the relationship of mutual service that exists between a parish priest and his faithful.

Not willing to let go of your marriage? Many couples continue to struggle in a marriage, but are not willing to give up on each other. There is hope.

Retrouvaille is a program designed to help struggling marriages regain their health.

It helps a husband and a wife rediscover or re-awaken the love, trust and commitment that originally brought them together. The program is highly successful in saving hurting marriages, even bringing reconciliation to couples who have already separated or divorced. Retrouvaille is a peer ministry of volunteer couples that can help you learn the tools of healthy communication, build intimacy and heal, just as they have done in their own marriages. For more information about our upcoming Retrouvaille Weekend program, February 3-5, 2023, contact: Mus and Rubina @404.234.6006 or visit our website: HelpOurMarriage.org

Para Reflexionar!

Consejo Pastoral Parroquial: Si es oportuno, a juicio del obispo diocesano, oído el consejo presbiteral, se constituirá en cada parroquia un consejo pastoral, que preside el párroco y en el cual los fieles, junto con aquellos que participan por su oficio en la cura pastoral de la parroquia, presten su colaboración para el fomento de la actividad pastoral.

Consultivo: Consulta quiere decir diálogo sincero y profundo para dar luz en los diferentes asuntos de cara a su posterior ejecución. Y aunque el CPP tiene voto meramente consultivo, el párroco está en la obligación de escucharlo para elaborar e implementar la programación pastoral de la parroquia. Al párroco le corresponde tomar las decisiones después de haber escuchado el parecer del CPP.
