FOOD FOR THOUGHT

Pregnancy Center Support Change hearts and minds about abortion by showing that Catholics love both mother and child before and after birth. Knights and their parishes can provide material, financial, labor and other support to pro-life pregnancy centers that help women during pregnancy and following the birth of their newborn children. More than 2,500 pro-life pregnancy centers now operate throughout territories where the Knights of Columbus are active. By the very nature of its founding, the Knights of Columbus is called to care for the widow and orphan.

Abortion-vulnerable unborn children and mothers experiencing unexpected pregnancies certainly fall within that mandate. With aid from Knights, pregnancy centers can offer support to help women choose life. Participants in this program can “adopt” a pregnancy center and provide material, labor, and spiritual support throughout the year.

What is the ‘need’? Though pregnancy centers usually offer their services for free to pregnant women, most pregnancy centers accept few, if any, government funds, relying instead on private support to keep operating and to meet the needs of the women that come to them for help.

Pregnancy centers have a need not just for financial contributions, but also for many other kinds of donations, from volunteer hours and specialized labor, to material goods, services, resources and prayer support.
