The Archdiocese of Atlanta requires all students to participate in
“VIRTUS - Teaching Touching Safety” Safe Environment
Training. Children are taught that God is a loving, listening,
caring presence in their daily lives and that they should feel secure
and safe in sharing information about problems or people that
worry them with a trusted adult. This program is provided to us
by the Archdiocese of Atlanta and is a part of our ongoing effort
to help create and maintain a safe environment for children and

GOSPEL

Jesus healed 10 very sick men, but only one remembered to thank God. God heals your body every day, too. You may not even notice how God keeps you healthy. All around you, germs live on door knobs, shopping carts, and toys. When you catch the flu or a cold, God heals you. He keeps on healing you until he's ready to take you home to heaven. Thank God for keeping you healthy and for healing you, too.

PRAYER

Dear God, thank you for all the ways you heal my body.

PUZZLE

Copy the picture square by square.

MISSION

One way to stay healthy is to wash your hands, especially before you eat. Remember to thank God for the soap and the clean water with which you wash.

VIRTUS

La Arquidiócesis de Atlanta requiere que todos los estudiantes participen en el entrenamiento de Ambiente Seguro "VIRTUS – Seguridad en el contacto". A través de este entrenamiento los niños aprenden que Dios sabe escuchar y es una presencia amorosa y compasiva en sus vidas diarias; y que deben sentirse seguros y protegidos al compartir información sobre problemas o sobre gente que los inquieta con un adulto de confianza. Este programa es proporcionado por la Arquidiócesis de Atlanta y es una parte de nuestro esfuerzo continuo para ayudar a crear y conservar un ambiente seguro para los niños y protegerlos a todos de abuso sexual.
