to Father Rust! He has been appointed Pastor at All Saints and St. Michaels effective January 1, 2024.

"On entering the house they saw the child with Mary his mother. They knelt down and did him homage. Then they opened their treasures and offered him with gifts of gold, frankincense, and myrrh." Matthew 2:11

The wise men shared their treasures in thanksgiving for God's great gift to world. Are we willing share our treasures in praise and thanksgiving to God?

Breaking Open God's Word: The Epiphany of The Lord

- Light is an invaluable resource. It's no accident that in Genesis we hear that it was created first. In complete darkness, we are all blind. For millennia, the stars enabled travelers to navigate at night and light from the moon enabled them to see their way. When the Israelites' long exile ended, Isaiah pointed to Jerusalem as a beacon, shining radiantly to draw families, rulers, and foreigners to its glory, even as it was still rebuilding after years of desolation. So too the star above nearby Bethlehem drew the magi, though it was to a humble stable, inhabited by a family that to Herod would have looked absolutely unremarkable. We may feel that we have nothing radiant in us or in our lives, but with the light of Christ in us we are in fact blessed with a source of light for ourselves and others.
- Today—January 7—is the date on which Orthodox Christians celebrate Christmas, based on the old Julian calendar. In today's second reading we hear Saint Paul explicitly state that Gentiles are "members of the same body." This was not a foregone conclusion. Paul could have written that Gentiles were secondclass members or members of a lesser body. But the early church determined that the body of Christ is one and that all followers belong to it. So too today with all Christians, no matter when they celebrate Christ's birth.
- The magi were truly wise, for not only did they set out at once for Judea once they saw the star at its rising, they also changed their plan to return to Herod after finding the child. They had an epiphany, as it were, after encountering the Messiah, after finding him in a place they could not have anticipated when they'd left their homes. We would do well to be open to epiphanies of our own after an unexpected encounter with the Lord.
