Goals and Purpose: Carpenter's Kitchen is an outreach ministry of St. Joseph Catholic Parish. We proclaim our faith in our Lord Jesus Christ by serving the needy in our community. We welcome and feed a wholesome hot meal to all who come to our facility.

Responsibilities: To care for those who cannot afford or are unable to prepare a good meal or those who are lonely. Carpenter's Kitchen serves a complete hot meal every Monday evening. The number of guests has increased significantly and we now serve about 275 meals each week. Our 240 + volunteers are divided into four teams. Each team works in three general areas: food-prep & room set up, serving and clean-up. Volunteers further divide into 15 different job categories, allowing volunteers a variety of tasks.

Helpful attributes: Food preparation, serving and clean up ability. Lifting if you are able to.

Time Commitment: 3 hours for 1 Monday each month. 2:00 PM to 7:00PM.
