

Volunteer Information

Thank you for your interest in helping our Parish by being a volunteer. Our Parish depends on community support and people like you who are willing to give some of their time and talent to help our Parish. We truly appreciate any time that you are able to help.

St. Joseph Parish & St. Joseph School takes pride in being a parish/school community that welcomes the gifts and talents of so many individuals. So much of our success is due to the hard work of our parent and grandparent volunteers. An investment of your time and talent is critical to the success of our parish/school!
