

A community where we are family  
and we share our many gifts generously

We are pleased to inform you that you are now able to make event payments & share your financial gifts to support our parish ...ONLINE. We have been working very hard behind the scenes to bring this exciting new program to our parish. Being able to give safely online makes donating easy.

It's very simple to set up a one-time or recurring donation and allocate the amounts of your choice to any of our different collections. Once you start to use it, you will be able to view your financial records at any time during the year. Those of you who wish to continue using traditional methods of offering (check or EFT) may do so. We will also use this system throughout the year for event registration & payments.

If you have any questions about the program or need help setting up your account, please don't hesitate to call the parish office. Please prayerfully consider giving to our parish community online as it does benefit our parish in many important ways.

Give it a try today! We invite you to click on the orange "Give Online" button at the bottom of our homepage to take a look at our new giving & payment system. While you are there, you may purchase your Fall Festival dinner or Pot of Gold raffle tickets. You may use your credit card, debit card, or bank account.
