Approval of minutes from February meeting

Old Business:

- Discussion regarding ways to reach more 18-25 year olds. Ideas were discussed on how to identify those people from that age group who are simply on our roster because their parents are parishioners and those who are actually in Cedar Falls and could be reached out to. If 3-5 people of this demographic are identified perhaps speaking with them could provide more ways to reach out. Perhaps build a more active collaborative relations with St. Stephen's for facilities and outreach to this age group.

- Volleyball Report – Faith Formation/Pastoral Council beat the young team! Hopefully they can overcome their defeat and challenge us to a rematch.

New Business:

- PC Elections – Names were discussed.

Committee Reports:

Social Justice – There was discussion on finding ways to communicate with new pastor in Haiti to confirm how funds were spent and how we can help in the future with or without funds.

Finance Council –

Stewardship Committee –

Catholic School Board – Discussion of spending for 125th funds. Teacher raises were discussed.

Confirmation – It's up to Tracey and Rosi for transition and decision to a younger age.
