## A Message from Monsignor

As a priest I often read obituaries, and when I do, I look for several things. I look for the funerals I am doing; I look for the Catholics; I look for friends; and I really look for the funny ones. Sometimes they are not intentionally funny, but I find what they say about an individual amusing or how they try to phrase what happened...answered the call, entered into glory, went home, passed on, etc.

*Reverend Monsignor  
Anthony Marcaccio*

I know words are feeble in expressing our hope for the hereafter and what awaits our loved ones, but November gives us the opportunity to express it with more than just words, we do so in the liturgy. During our masses this All Saints Day and All Souls Day, indeed throughout the whole month of November, we will express our hope for our loved ones in the Great Harvest of Souls. The Holy Eucharist is a perfect way to express our belief in the Paschal Mystery, the saving passion and death of Christ along with His resurrection which makes our very hope possible.

The element of the Eucharist which is gratitude also reminds us to be thankful for the blessing of ever having been together with family and friends. I have learned time, and particularly gratitude, tempers our grief. Of this much I am sure that while our grief may never be totally eliminated, the grief there is in parting will pale in comparison to the joy of meeting again.

Back to the funny obits...some of favorites include a sweet, senior lady's photo accompanied by the text "Mary Pat was world renowned for her lack of patience, not holding back her opinion and a knack for tell it like it is." Another person used their police mug shot photo for the obit and another said "He was a connoisseur of root beer and bacon." What would you have people say about you at the end of your life? It's a troubling thought.

I see two options – writing my own obituary or changing my ways. It's probably not a bad thought for all of us as we celebrate the Feast of All Saints. What might we need to change in order to be counted among their number? Regarding the Feast of All Souls Day, we might ask "Who do we miss the most and why?" Who has gone before me in faith that I most admire and esteem and how can I imitate the virtue in their lives. I may have to pour myself a root beer and have some bacon and think about that myself.

**CROP Walk is SPX Strong!** The Greensboro CROP Hunger Walk is much more than raising money for a good cause, service hours earned or going out for a walk on a Sunday afternoon! It is a community gathering event of our SPX family, along with our greater community, to raise awareness for hunger, to help end poverty, and to promote peace and justice. It is the second largest CROP event in the nation, attracting more than 4,000 walkers each year. St. Pius X Catholic Church was at least

150 walkers strong, all wearing shirts displaying our mission to "Know, Love and Serve the Lord." We were even able to join our friends from other communities of faith in our area. *Thank you St. Pius X for praying, sponsoring, walking and caring!* Photo Credit: Kandice Weglin

## Expanded Adult Faith Formation and Bible Study Programs in Full Swing

Peter Arsenault

The Adult Faith Formation program at St. Pius X has expanded and grown this year. Based on a survey of parishioners earlier in the year, four primary study areas were identified that attracted the most interest:

**Bible Studies:** Courses on individual books of the Bible, in particular the Gospels, and the very popular “Bible Timeline” course have been, and will continue to be offered regularly. Participants in these programs often return to take additional courses attesting to the desire to understand Scriptures more in a supportive, informative, Catholic group setting.

**History of the Church:** The “EPIC” course from Ascension Press is being offered for the first time here. This course also uses a timeline to trace the history of the Catholic Church (the highs, the lows, the good, the bad, the great, and the beautiful) over the past 2,000 years.

**Learning Catholic Faith:** There are many aspects of our faith that, while being biblically based, combine teaching from Scriptures with the historical tradition, wisdom, and evolved doctrine of the Church. This includes things like devotion to the Blessed Mother, the meaning of the Eucharist, and teachings from the Catechism or the Second Vatican Council. These courses, including the RCIA (Rite of Christian Initiation) classes, all appeal to anyone who is seeking a deeper understanding of Catholic Faith.

**Living a Catholic Life:** St. James famously reminds us that “works” in addition to faith are marks of a true follower of Jesus. Courses are offered that address Catholic prayer life, raising a Catholic family, even how to manage our finances with a Catholic perspective.

New courses will start in January- watch the bulletin for details. All are invited and welcome to participate in these programs – bring a friend or a spouse!

## Food Cart Fills Empty Shelves and Hungry Tummys

During the month of September, St. Pius X donated 1,229 lbs. of food in our Food Cart. Just figure an average can weighs 16 oz. or 1 lb. 1,229 lbs. is great! This food helps Greensboro Urban Ministry serve 100 families each day through the Emergency Assistance Program. Several families volunteered at the Fall Food Drive at Food Lion and in one day were able to bring in 1,150 lbs. of food and \$150. As we enter the season where food is the center of celebration, we thank you in advance for your support of SPX Thanksgiving Baskets, Pathways and Potter’s House dinners.

## Gather Your People

Betty Coleman

One of the beautiful songs we sing at church is “Gather your People.” Recently, SPX Ministry Leaders gathered for their annual Ministry Leader Conference and Luncheon. This year’s theme was “Me – the Servant Leader.” Our

featured speaker for the event was Nancy James from the Center for Creative Leadership who spoke about Servant Leadership in Corporate and Religious environments from Robert Greenleaf’s book, “Ten Principles of Servant Leadership.” This book speaks about three Servant Leadership areas of development – The Natural Desire – We all have a natural feeling of wanting to serve. The Conscious Choice – Then conscious choice brings one to aspire to lead. The Best Test – Do those served grow as persons? Do they, while being served, become healthier? Are they more likely themselves to become servants?

Small group discussions were held to review the parish mission, challenges facing the Leaders, and how to better explain their specific mission to other members of the parish.

Our Ministry Leaders help others see the face of God and make them aware they, too, are beacons for the “Light of Christ.” As our song indicates, “Each of us is called to Walk in His Light.” Let us all make a conscious effort to take that first step and let our light shine.

Make a joyful noise to the Lord, all the lands!  
 Serve the Lord with gladness!  
 Come into God's presence with singing!  
 Know that the Lord is God!  
 It is he that made us, and we are his;  
 we are his people, and the sheep of his pasture.  
 Enter his gates with thanksgiving,  
 and his courts with praise!  
 Give thanks to him, bless his name!  
 For the Lord is good;  
 his steadfast love endures for ever,  
 and his faithfulness to all generations.

## Knights of Columbus Donate Winter Clothing

The Knights of Columbus ministry "Coats for Kids" is a national program devoted to providing warm, winter clothing to deserving children. To date, nationally, the Knights have donated **half a million coats** in America and Canada. To that end, St. Pius X Council 11101 Knights of Columbus has recently delivered 168 winter coats to a local charitable organization, BackpackBeginnings, whose mission is to feed, comfort and clothe children in need. They are a volunteer effort providing comfort without charge to needy children in Greensboro and outlying communities. The funds to purchase the coats came from Brother Knights and the generosity of St. Pius X parishioners. BackpackBeginnings has interacted with SPX through our parish Director of Community Life, Carolyn Painley who co-ordinated this endeavor, as well as at Cone and Irving Park Elementary, Elm St. Head Start and Hope Academy.

*Thanks to all who have given so freely of their time and treasure to create a more caring community life. Shown in photo: From left: Clothing Pantry Chair Leigh Jones, DD John Joyce, Grand Knight Jim Duffy, Youth Chairman Dan Allen and Wendy Brewer, Admin. Assistant with Backpack Beginnings*

## St. Pius X Supports Annual Life Chain

"The annual national "Life Chain" was held in Greensboro on Sunday Oct. 7. St. Pius X parishioners and our Knights of Columbus peacefully demonstrated in the miles-long human chain dedicated to ending abortion. Joined by denominations of other churches and pro-life advocates, the chain is a most visible reminder to the public of the need to respect and protect the life of the unborn. ***"Speak up for those who cannot speak for themselves..."*** Proverbs 31:8

## Coping With Grief During the Holidays

With the coming of Fall, we will be thinking of the holiday season again. Once the children go back to school and leaves begin to fall, Thanksgiving and Christmas are not far behind.

At no time of the year does the sense of loss become more intense than during these holidays. It is a time for celebration and connecting with loved ones, but if that person is no longer a part of your life or your living situation has changed, and then holidays can be a time of stress, anxiety and deep sadness.

On **November 4**, from 2:00 to 4:00 p.m., St. Pius X will host an afternoon program dealing with some of these concerns and share helpful ways to manage your grief during the holiday season. We will deal with confronting the many tasks that the season brings, what to celebrate and what to let go of or do differently. We will also discuss ways to incorporate the wonderful season of Advent as an alternative to the commercialization of Christmas.

Please call the parish office 336-272-4681 or email [spx@stpiusxnc.com](mailto:spx@stpiusxnc.com) to register. Call Marge Birge for further information at 336-288-8779

## Giving Tree Opportunities

Volunteers are needed to help put up the trees on **Saturday, November 17** in the church at 4pm. Please e-mail us if you are able to help. Our trees need “elves” to monitor the gift tags and help bring the gifts down to the church basement. Volunteers are needed at all Masses the weekends of **November 24/25, December 1/2** and **December 8/9**. Please e-mail Kathy Davidson if you are able to help. Gifts will be “inventoried” the week of **December 10**. Please e-mail Joanne Spillane if you are able to help. Date and time to be decided based on gift returns.
