

1% Challenge Roll Out Timeline and Ideas

We had lots of great ideas for the 1% Roll Out. This document is here to help us organize them and sign up for some tasks for the Roll Out.

Goal: 1% Challenge is a Daily Prayer guide we are going to participate and promote during Lent for our entire parish to participate. Daily Prayer is one step to be (or becoming) Disciples and Sharing His Love with Others. This will couple nicely with the launch of our new Mission/Vision.

1% Challenge will begin on March 6th and last until April 4. At the end of 1% people are challenged to live out their faith more fully and share their “conversion” story.

Building and Grounds Minutes

7:00 PM Thursday 13 January 2022

Opening Prayer By Deacon Anton at 7:05PM

Attendance. Father Lyola (excused on Satanical) Deacon Anton(present through zoom), Dennis Bednarek, Richard Hegy, Ronald Lambert, Fred Geir, and John Vanzeeland.

Priority Items

Water Fountain Discussion suggested simply making bottled water available as a substitute till we can get the water tested by the County.

Lift Truck It was suggested to have a trial period of one year where we rent a lift truck whenever needed and compare the overall costs to what purchasing would cost.

Sign Plates Since total for Sign Plates are under \$500 Tim should go ahead and order them as needed.

New Item

Planter Decorations Ron Lambert suggested since the planters were painted black he could build large Wooden Crosses and have them painted white to accent the planters. Discussion pointed out that White Crosses was a symbol of Lutheran Churches compared to a Crucifix with Christ on it for Catholic Churches. The idea was killed.

Future Items

Flag Poll Lighting For review in Spring

Water Garden: To be addressed in Spring dependent on funds available.

Digital Sign: To be addressed for 2022/23 budget Dennis to get rough estimates by April meeting so we have something to present to the Finance Committee for the 2022-23 budget.

Concrete Pad for Dumpster Suggested we can get a better price when they do added concrete work with construction.

Additional Security Cameras

Asphalt Repairs The bid from Poblocki Paving for \$3,846.00, was accepted by Finance but on hold till spring.
