This was reviewed briefly at the pastoral council as well and the location and design of the a fire pit should be included with future grounds planning

Piano Microphone Dan to report on status and cost.

Budget Status John John Kersting showed us a draft of the 2022-23 Budget which has not been approved yet and is still under advisement. The draft did not go into detail. We still do not have details on how much is remaining from our 2021-22 budget as we had multiple projects canceled last year.
