Human Concerns as a commission that includes committees that serve under it. Committees can update HC annually.	Kris Crawley spoke on behalf of the Elizabeth Ministry and Mary Holtorf shared what is happening at St. Vincent DePaul and the Food Pantry. Discussion followed, and it was agreed that HC needs to help raise awareness of all program offerings through the Elizabeth Ministry.
Theme of homelessness	HC has a list of items NAMI is collecting for the homeless in Waukesha County. How to collect these items will be on the agenda for the Feb meeting.
Mental Health	Deb Dunn is looking into another speaker for our parishes on Mental Health.
Mardi Gras	HC will put together a basket.
