

Retreat Information

Confirmation Retreats are designed to deepen the spiritual life of the students; it is not just an extended catechetical session. Students will have the opportunity for personal prayer and Mass during the retreat. Talks and activities are designed to focus on the spiritual development of the candidate and their role of living as a disciple of Christ and discerning their path. The Confirmation Retreat is also an excellent opportunity to build community among our parish family's candidates.

This year we have two options scheduled for Confirmation Retreat days. All candidates **MUST ATTEND ONE OF THE RETREAT DAYS**. The first retreat day will take place on January 11th. The second choice of retreat days will be January 18th. Both will be held at St. Simon's Plagge Hall from 9:00am-3:00pm.

Your date selection & medical release is included in the contract of candidacy. If you need to change your date, please contact us at **ReligiousEd@mqas.org**

Candidates will attend Mass on retreat day so will need to dress in church appropriate clothes. They should dress comfortably as well.

Please pack a lunch with a drink included for the candidate as well.
