

Parish Mass Attendance Policy for School Families

Participating parish members are those who:

1. Share in the faith life of the parish through attendance at Our Lady of Victory Parish Community worship. See below for attendance policy.
2. Are active ministers in liturgical role, committee works and activities or events of the parish.
3. Financially support the parish through the collection envelope system. The suggested contribution for school families is \$15.00 per week (\$780.00 annually).

The parish attendance policy approved by Pastoral Council 2013 for participating grades 1st to 8th school families seeking the parish in-parish tuition subsidy is as follows:

- You must attend Mass here at Victory at least seven times each quarter.
- Your attendance is measured by the envelopes placed in the Sunday collection basket. If you contribute monthly or by EFT, or are not able to make a donation on a particular weekend, please place an empty envelope in the basket. (There is a checkbox for EFT).
- If you forget your envelope, there are envelopes available in the atrium and back vestibule. Just write your name on the envelope.
- If you are not able to attend Mass at Victory on a regular basis because of employment or personal reasons, please contact Fr. Reutter to request a waiver from the attendance requirement.
