VOLUNTEER CHAPERONES NEEDED

We need volunteer parents to help chaperone the Confirmation Retreat on Saturday, October 10th. Call the Office of Religious Education to sign up, or email Jonathan Schaefer at jschaefer@olv.org.

HOST FAMILIES NEEDED

NET Missionaries are young adults who have committed one year of their lives to travel across the Tri-state area to give retreats for junior high and high school teens. Every year, these missionaries lead our Confirmation Retreat and bring our teens closer to Christ.

Two team members (girl or boy, per your request) will spend one night in your home on the weekend of the retreat. Simply providing a bed or floor to sleep on is so helpful! Host families also provide meals. The past 8 years of host families have always had a great experience, and their kids look forward to it each year.

Call the Office of Religious Education to sign up for this great opportunity!

CONFIRMATION RETREAT

The Confirmation Retreat is a great way to form a real relationship with the Lord in prayer and Reconciliation. The NET team will help our candidates understand the gifts of the Holy Spirit and the power of the Sacrament of Confirmation. You can see why this retreat is so important!

Pray for our candidates, that the Holy Spirit will continue to strengthen them and guide them in life.
