

FIRST RECONCILIATION

*March 26th @ 7 PM
in the Church*

We encourage parents and other family members to attend Reconciliation with your child as a wonderful witness to their child. There is no specific dress code, but please dress church-appropriate.

If you are unable to attend for some reason, or if you have any questions, please contact the Office of Religious Education to set up another reconciliation time: 347-2071

Unable to Decorate Your Candle on Activity Day?

Decorate your candle holder at home! Our students will need them during the First Reconciliation. They will carry their holders into the Sanctuary area after they confess, then light a votive candle (provided), place it with the others, and return to their pew.

Try to keep the decorations simple and liturgically appropriate (Lenten Purple!), but feel free to paint, use Christian symbols, and just get creative! *Do not use flammable materials.* Include your child's name and reconciliation date. Please write the room number on the bottom of the candle.

PLEASE DO NOT SEND TO SCHOOL WITH YOUR CHILD.
