Saint's Name: _____

(Be specific. Ex. St. Teresa of Calcutta, not just St. Teresa. Be sure to check spelling too.)

Saint's Place of Birth: _____

Family Background:

Circumstances of His or Her Death:

What virtues did this Saint practice?

What aspects of this person's Christian life attracted you?

How is this Saint a model for Christians today?

Information on different Saints can be obtained online or by visiting the OLV Library located at the back of the church, where we house many books on different Saints. If for some reason neither of these options are accessible to you, please contact Mr. Jonathan Schaefer at 513-347-2071 and he will help you with the research.
