*This September 12 session is ESSENTIAL for ALL PARENTS AND CHILDREN as we will give important details and overview of OLP Faith Formation as well as crucial Safe Environment Training with children and parents as mandated by the Diocese of Colorado Springs.

This special ministry “Every Second Counts” empowers parents to fulfill the promises they made at their child’s Baptism to be their child’s first and primary educator of the faith. This ‘welcome session’ is for both parents and the child who is preparing. Parents need to participate with their child at each session and also spend special time with their child at home preparing them for the Sacraments of Reconciliation and Eucharist, including the ‘Gospel Weeklies’.
