Catechesis of the

GOOD SHEPHERD

Weekly Wednesday Afternoons 3:30-5:30

Calling all Pre K—6th grade Families!!!

In addition to our monthly Generations of Faith family nights, we are now offering weekly Catechesis of the Good Shepherd for children from 4 years old through 6th grade. Potty trained 3 year old children may also be enrolled subject to space availability and upon mutual discernment by the parents and the catechists. This will allow us to ensure that their first experience in the atrium is a good one.

In order to serve your lovely children, we need your information below. Even if you have already registered for Faith Formation, we would appreciate this additional information to allow to have adequate materials and volunteer catechists on hand for all programs. Thank you for taking the time to share this information!

GOF

Monthly Wednesday Evening

For planning purposes, it would help us greatly to know which GOF session your family plans on attending this year. Obviously, things crop up, so please do not worry if your plans change. This just helps us plan. Thank you!
