

March 20, 17

Newman Club Meeting Notes

Today, we had many items to discuss both old and new business. As most of us all know, we had the groundbreaking of the Newman Center on March 4th, 2017. What a beautiful day that was! Thank you to everyone that made that day possible! The next item of old business, was concessions and how we had a low turn out of people. For future reference: If you say you can work, please be there or find a substitute. Then the last item of old business that was discussed was an update about our fundraising. We have successfully made our goal of \$1,000 for the year from donations, working concessions, and babysitting. Congrats!

Now on to new business, we had all new officers attend tonight, so that was good! Men's Bible Study is starting this Tuesday March 21st, at 6:15am in the morning! (Breakfast will be provided!) Girls, since there is only about six weeks left of school we will not be starting a bible study. However, next year, we already have some exciting plans for the Women's Bible Study, so stay tuned! Now another item of business is every Thursday night is now known as Poker Night, so come out and play with Father and many others! An IMPORTANT reminder for us all, this Sunday March 26th, we will have dinner with the Bishop after Mass at 5:30pm. So please bring everyone and anyone, the more the merrier! Another reminder for this weekend is that we are having another caramel roll fundraiser this Sunday March 26th morning, so if you are free and would like to help be at the church around 9/9:30am.

As many of you might know, Grace will be confirmed to the Catholic Church soon and one of her assignments is to watch the Passion of Christ and discuss it. Thus, on Tuesday March 28th, 2017 we will be having church at 5:15pm, followed by supper, the showing of the Passion of Christ movie, and a discussion afterwards. So please come and support Grace! Now we all know that today was the first day of spring and I am sure most everyone has hit Spring Fever, it's contagious! But before finals, we are planning our annual Spring Formal either on April 8th or the 22nd of April at Kristin Thompson's house! So again, stay tuned for updates! Next item of business is the SVAC Awards night, which is 4/24, or also known as my birthday!!!! There will be four people selected to go and represent the group for this event, so please save the date.

The next item of new business was the Kennedy Jean Weiss Foundation, and how we should start doing more community service activities. Which then leads me to our next item, the Saint Vincent De Paul letter that had welcomed the Newman Center Club to come visit there place on April 9th, 2017 at 4pm to learn about all that they do and start being involved. Another activity that we will start being involved in is Adoration every Wednesday night. They want Newman Club students to come for at least the last hour of Adoration every Wednesday from about 6 – 7:30pm. Taylor will make up a sign-up sheet and hang it up by the white board in the Newman, and you can sign-up for at least a 20-minute shift. (But you can stay as long as you want!) Another thing you might want to check out the next time your at the Newman Center, is our **New Building blue prints**, they will either be rolled up

by the printer or laid out on a table in the “game” room. So go check them out when you can! Also, a good way to keep updated with the Newman Club and all of our activities is with the Group text, but please only use it for actual events not just casual conversation. Lastly, we will be keeping our Club Meetings first and third Monday of every month. (Even for next year!) But for the Monday nights we don’t have meetings, we have Mystery Marvel Movie Monday Night! We had a good turnout of eight club members, Taylor, and Susan. (But maybe the next one will be bigger!) Also, we have many wonderful ideas planned for the upcoming year, so please stay tuned! I am sorry that the notes are so long, but we had lots to discuss tonight and I want everyone to be informed of what they might have missed!

Thanks,
Julie M. Knight
