#### Time and Talent Survey

Discussed the progress Dawn made in determining point people for various miscellaneous areas.

Cathy to follow up with Jill S, Laura R, and Cindy F on contacting potential volunteers for some of the miscellaneous parish activities.

Mike Mesenbourg asked who is the contact regarding prayer shawls and baking for funerals. No point person for the blanket and prayer shawls, Cathy will contact Jodi to find out if she knows background on blanket/shawl.

Dawn will ask Leona as the President of Christian Women if she would like to be the point person for baking for funerals and events? Should we put a list together for baking events? Cathy will let Mike know after Dawn obtains more information.

For church cleaning, contact person is Sue S.

Elizabeth Ministry, no idea who heads up this ministry. Cathy will ask Mark Wolf

Maintenance grounds committee, no point person for this committee. Mark W is our maintenance staff person, maybe reach out to him?

Senior Events, we have no coordinator. Cathy will email Celia about helping find a coordinator for senior events.

Quilter group, Cathy to ask Jodie where she got info about this group for the Ministry Guide?

#### Thank You Mass for Volunteers

Cathy talked to Father Tim and he is all in for student's artwork on Thank-you cards. He has already typed up a message for inside of the card. We just have to find out what type of artwork Father Tim would like to see on front of card, either original art from students or calligraphy? We would need about 50 cards either purchase or use what we have on hand, Dawn will check on if we can use blank cards in storage. Joann Wasserman to provide artwork options if we go with printed cards.
