Held via Zoom

Opened with prayer

1. Parish Council Update: No All Commissions Meetings till it is safe to meet in person in a large group. Individual Commissions should still meet once a month on a day that works for the group. Can meet in person if you can social distance, virtual or hybrid.
2. Time & Talent Survey 2020 –Recap from last meeting in February: Talked about the Time and Talent Survey, and acknowledged all the hard work Colleen put into the spreadsheet with the breakdown of info from the survey First focused on the interested people, contacted the Commissions that were involved. Then entered all the people that are interested in continuing their positions. Stewardship was going to follow up at the next All Commissions meetings but then COVID struck.

This year's focus: now what? We have decided that we do still want to reach out to the interested parties to let them know that they are not forgotten and when it is safe to resume activities they will be included.

- What is still going on? Dawn has volunteered to go through the list and let the group know what is still happening and what is on hold for now. She may need to check in with Jill to confirm.
- once we decide what is going on how are we going to contact the volunteers? Is this something the Commission, Parish Office or Stewardship should handle? We will determine at the next meeting.
- do we have any new needs with COVID? Dawn can check with the Parish/School to see if they need any help.
- Talked about a Volunteer thank you mass. Would Father Tim acknowledge the congregation? Is there enough parishioners attending church to be worthwhile?
- Dawn mentioned doing a video thank you from Stewardship to get posted on the website, Youtube and Facebook

3. New Parishioner Outreach – On hold pending start up of ministries.

Adjourned with prayer

Next meeting: Tuesday November 17th (3rd Tuesday)
