

ST. GABRIEL PARISH STEWARDSHIP COMMISSION

Minutes – April 20, 2021

Submitted by Cathy Rusk

In Attendance: Cathy Rusk, Karl Glunz, Colleen Reichert, Dawn Jorgensen (liaison)

Excused: Jodi Consiglio

Cathy opened with a prayer

- Time and Talent Survey Status - Cathy presented highlighted data during All Commission portion of the meeting. The data slide appears later in these minutes. Joan Weyer inquired about where the TT data will be housed going forward and it was brought up that this would be a good time to get gmail accounts set up for the commissions. Cathy will connect with Celia to inquire how to proceed.
- Welcome New Parish Members – Colleen has made phone calls to many of the new families that joined the parish in 2020. She stated that they were happy to hear from the parish but did not need any immediate direction or assistance.
- Ministry Guide Reformat to Infosheet – Tabled until May meeting
- Options for 2021/22 projects
 - Dawn shared that Parish Council would like a new Parish directory to be created and inquired if Stewardship would be willing to help. We will await more input regarding what will be needed, but initial drive to get a committee set up to develop the project should be done now. Karl suggested the Archdiocese may have photographers in mind who have done this for other parishes. Other early thoughts included getting permission for data publication at the time of the photo appointment as well as new data collection at that time to update parish records.
 - Colleen shared an idea to reach out with a welcome call to families who may not have returned to church yet when we reconvene in the fall.

We closed in Prayer

Next meeting date: May 18th 2021
