

Easter Bags 2024

St. Jerome Church Easter Almsgiving for Children in Need

What: Distributing Easter Treat Bags to be filled by Parishioners and returned to the back of church by the due date. We are doing bags again this year because it is easier for the kids to transport home on the bus.

When: March 3 - March 17, 2024.

Partner Organizations: New Pathways and Graves County Family Resource Centers.

Easter Bags will be completed this year in the same way that we fill the Boxes of Joy during the Christmas Season (minus the shipping cost). Easter Bags will be available in the back of church next weekend (March 2nd/3rd). Parishioners are asked to take a bag, fill it with Easter goodies, and return it to the back of the church. Ideas of what to include in your bags are listed below:

Stuffed bunnies; art supplies including crayons, coloring books, paints, pencils, erasers; story books; toys including jump ropes, balls, bubbles, chalk, and candy.

Monetary donations are also greatly appreciated! Please place donations in an envelope marked "Bunny" and put it in the offering basket.

Bags will be distributed to our partner organizations the week before Easter. Thank you!!
