

Dear Fellow Parishioners:

In February, a group of people from Saint Joseph Parish met to discuss fundraising in our parish. There is no doubt that we need to do some fundraising for our parish to survive. We came up with the list of ideas that are listed below. **Beginning July 1, 2021 – June 30, 2022 we want to try to fundraise 50,000.00.** As you can see, we need everyone's help! **If anyone is interested in helping with any of these ideas, or if you have ideas not listed here, please contact Mary Van Schyndel at the parish office at 920 869-2244.** Just because you have an idea, it does not mean you have to do the fundraiser, you might have an idea that someone else is interested in.
